### 2023 Summer Camp Scholarship Application

---

Sycamore Music Boosters scholarships are awarded to help the growth of students' musical abilities as well as to build the Sycamore music program. Sycamore students in grades 6-11 during the 2022-2023 school year who are currently enrolled in the music program (and will be enrolled in the music program the following school year) and who will use the money toward a music camp this summer are eligible to apply. The application is for individual scholarships, and funds are awarded according to the following guidelines:

1. Up to a maximum of \$250 for residential camps one week or more in length.
2. Virtual camps or Day camps of at least 5 days in length – up to \$50 for day camps costing up to \$150; up to \$75 for day camps costing \$151-\$200; up to \$100 for day camps costing \$201 or more. **They must be camps outside of the Sycamore School District.** Students are eligible for one scholarship per year, and the status of the Sycamore Music Boosters scholarship budget may determine the quantity and dollar amounts of the scholarships awarded.
