

Sycamore Music Boosters

Sycamore Autumn Craft & Treasure Market

Dear Music Student Parent,

A warm welcome to all Music Booster parents, returning and new! Pumpkinfest weekend is thankfully BACK: **Sat. & Sun. October 28th and 29th**. The high school field house will once again be the scene for our LARGEST fundraiser, and we are fortunate to have this annual opportunity. As music student parents we count on your support in helping to raise money for your children's music education. The craft fair, a fantastic Sycamore tradition, raises a majority of the funds Music Boosters uses to subsidize instrument purchases, field trips, summer camp scholarships, and senior awards.

******* We request that parents choose from the following options: (1) Work a shift & contribute monetarily, (2) Work a shift with your student, (3) Student works a shift & send a monetary contribution. Boosters suggests \$15 for one music student or \$25 if you have 2 or more students in music programs.**

Using Signup Genius in past years has been a success. This makes the process easier for parents who would like to sign up, and work the same shift as their student. Use this link to access adult volunteer sign-up <https://www.signupgenius.com/go/10C0E45A4A72BA7FAC52-20231>. This link will take you to the student signup <https://www.signupgenius.com/go/10C0E45A4A72BA7FAC52-2023>.

Everyone who signs up to work a shift that weekend they will receive a coupon for free craft fair admission and a meal, when they check in at the Boosters office in the Fieldhouse (next to concession stand) to work their shift.

Some suggestions of jobs for parents: Thursday fieldhouse taping; Friday help with vendors coming to set up; golf cart drivers (over 18yrs) for handicap shoppers during weekend; gate keepers in parking lot; for STUDENTS, they can help vendors during set-up, they can be concession workers, they can be food runners for vendors who can't leave their booth. This event takes many hands.☺

We will be sending a follow up email the week before Pumpkinfest to help fill any open shifts & assure that the event is well-staffed for a smooth operation.

Your generosity during this busy weekend is key to keeping the Sycamore Music Department a strong force in the education of our children. We really appreciate your contribution throughout the WHOLE school year, and this is always a great start to the season.

Thank you for your prompt consideration. We are looking forward to seeing all of you that weekend! Questions? Contact Jenelle Robers at syc427actm@gmail.com.
